

The Silver Lake Centennial Committee is offering sponsorships for banners that will adorn 81 street signs and lampposts throughout the Village for the duration of the Centennial year. There are four different price ranges - \$250, \$350, \$450 & \$550. Sponsor's names will be imprinted on the banner if the sponsor so desires. The banners celebrate our once-in-a-lifetime 100 year anniversary, and each will identify its sponsor (if desired). While we expect the best majority of these banners to be sponsored by local businesses, several residents have expressed interest in them. Hence, we are offering sponsorships exclusively to residents until June 30th. Proceeds will be used for Centennial activities.

To sponsor a banner, please contact:
