Source: Charter Review Commission Report

Rationale: Currently the Treasurer is appointed and removed from office solely by Council, and excluded from supervision by the Mayor. See §3.04. In 1999, the Village almost completed a transition to a Mayor-Council form of government, wherein Council passes laws and controls the Village Finances, and the Mayor is in charge of administering and executing the laws. The Mayor-Council form of government recognizes that division of responsibility, i.e., a separation of powers. The Treasurer's duties involve the administration of Finances and preparing measures for Council's consideration. Essentially these duties are an administrative function. Hence, the Treasurer should be responsible to the Mayor for those functions. Council still retains full control of passing (or not) fiscal measures sent to Council by the Mayor and the Treasurer. Day by day functions of the Treasurer will be facilitated by a coordinated, overall supervision of the Administration office. This system can best be established by the Treasurer being appointed by the Mayor and confirmed by Council. Removal of the Treasurer by the Mayor must also be confirmed by Council.

This grants a degree of independence to the Treasurer which is necessary to ensure professionalism. The Treasurer would no longer be excepted from administrative supervision by the Mayor.

SECTION 7.04. RULES FOR GOVERNMENT OF POLICE.

The Director of Public Safety shall make and publish ~~with the approval of Council,~~ written rules for the government of the Police Department and the conduct and discipline of members thereof.

Source: Charter Review Commission Report

Rationale: A continuance of the rationale for changes to §5.02 can be carried forward to this section. In a Mayor-Council form of government, Council passes laws of a general nature with a focus on fiscal measures. That is the traditional separation of powers doctrine. The Charter Review Commission recommends that in §7.04, the language "with the approval of Council" be deleted, leaving the Department of Public Safety in charge of making and publishing rules for the internal affairs of the Police Department, including the conduct and discipline of the Department. In a Mayor-Council form of government, the administration of the Police Department is exclusively an executive function. The legislative function deals with the "power of the purse strings", i.e., control of the finances of each department, which control is substantial. In addition, who better to set the standards for the regulation of and the conduct and discipline of the police officers than those trained in police conduct and discipline?
