PUBLIC HEARING OF THE COUNCIL OF THE VILLAGE OF SILVER LAKE

Monday, July 15, 2019

6:45 p.m.

The Village of Silver Lake Council met in a regular session on Monday, July 1, 2019, at Silver Lake Village Hall, 2961 Kent Road, Silver Lake, Ohio.

With President of Council Mr. Gerald Jones presiding, the meeting was called to order at 6:45 p.m.

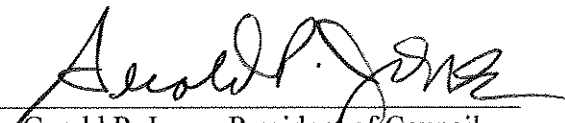

Mr. Jones said I'm going to call the public meeting to order, this is regarding the rezoning of the Silver Lake school property. This is a public meeting that we're required to have. I guess I should say that in advance the planning commission looked at this issue, and they recommended that we not rezone the school property. And I think most, if not all of us on council agree with that. However, we will be looking at changing the zoning on that property and striking out some of the things that could be put in there if they ever close the property. So, that's the current status of that issue. If there's anybody here that came to speak about that issue, you should sign in the back. Otherwise, the regular council meeting will start at 7:00 p.m.

There was one sign-in, Mr. Fred Johnson for the 7:00 meeting? Mrs. Dunphy said while we're sitting here looking at each other, we do need to make a motion tonight do we not, to amend or table the existing legislation? Mr. Jones said I don't know if we just need to kill the whole thing. Mrs. Dunphy said okay.

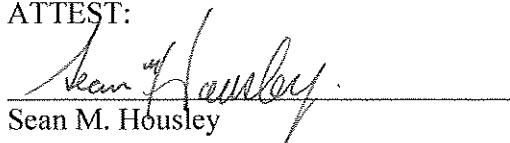

Mr. Jones said we do not have any legislation this evening for the council meeting but if you're here to talk about the riparian issue on the lakes, that meeting will begin at 7:00. If anybody wants to talk about that issue, you need to sign in as well.

Mr. Jones stated there being nobody here to speak and there being no further business, the Public Hearing is adjourned at 6:55 p.m.

APPROVED:

Mr. Gerald P. Jones, President of Council
