Subject: 2020 Annual Report

Mayor Hovey,

The Annual Report for 2020 is dedicated to the Village of Silver Lake Police Officers, Staff, and First Responders who reported to work every day in the midst of the worldwide Coronavirus Pandemic. While most of the Country's occupations shut down because of State and National Emergency Health Orders, our Officers continued to serve the Silver Lake community regardless of the risk of contracting the virus.

The task of policing in general took on an even greater spotlight with a deadly force incident involving the Minneapolis Police Department. The outcome had a reverberating effect across the United States, causing large protests that even made its way to the Village of Silver Lake. On June 10, 2020, over 200 peaceful protestors marched from the Stow Police Department to the Silver Lake Police Department to exercise their First Amendment rights about their feelings of the situation in Minnesota. Village of Silver Lake Officers and City of Stow Police Officers honored the protestors' right to be heard, and safely assisted them during the event.

I could write paragraph after paragraph of the great sacrifice and dedication that the Silver Lake Police Department's Supervisors, Officers and Support Staff have made in 2020, and it still would not cover all of their accomplishments in serving the community of Silver Lake. I will personally state that under these unprecedented times, I respect each and every one of them and I am very proud with the way they have served the community.

Respectfully,

Chief Jamie Norris
