

Silver Lake Garden Club

Christmas Tree Lighting & Winter Fest

Silver Lake Garden Club invites all community residents to join in winter holiday activities planned for Saturday, November 30th and Sunday, December 1st to usher in the holiday season. The weekend's activities will culminate with the beloved tradition of welcoming Santa to Silver Lake for the annual Christmas Tree Lighting at the Gazebo on Sunday, December 1st! Christmas carols will be sung by the Silver Lake Singers and the Garden Club provides hot chocolate and donuts in the boathouse afterwards.

Returning this year is the enjoyable and creative "Build a Holiday Garden Pot" activity during which you may lend a hand to build the island pots for the holiday season. New this year is a "Kids' Craft" activity to enjoy with your children or grandchildren. These activities are free and all are welcome.

Garden Club's Village Store will make a winter appearance offering the beautiful, signed and numbered, Four Season Gazebo giclee prints just in time for holiday gift-giving, and winter Gazebo Christmas Cards for sending holiday messages of good cheer! Live Christmas trees will be available for purchase both Saturday and Sunday. Christmas Tree and Village Store purchases may be made with cash, check or Venmo. See the times and locations below.
